		When is exam result going to be declared for the above said exam.	Likely to be declared in the first week of May 2019.
8	ITPO/RTI/04/08/2019	Where has the figure of Rs.4/- per sq.mtr. come from? What is the basis for arriving at this? Why is it not Rs.2 or Rs.3 per sqmtr. Per day?	The figure of Rs.4.00 per sq.mtr. per day for Blower charges comes from the calculations after hike in the rates of M/s BRPL @ 12 % in August, 2014 (copy enclosed). The earlier rates of blower charges was Rs.3.30 per sq.mtr. per day.
		Why is ITPO not charging the way other Exhibition venues in India are charging?	Seeking clarifications/ reasons is not covered under the ambit of “Information“ as defined u/s 2(f) of the RTI Act, 2005; hence it cannot be provided. However, it has been conveyed by the Division concerned that ITPO has its own procedure for charging of various services.
		Why is the figure different for power, AC and Blower?	The figure for different services like Power, AC, Blower are different and depends on the expenditure on maintenance and operation.
		Why is the rate in Rs. Per sq.mtr. per day instead of universally accepted Rs. Per unit?	The ITPO has its own procedure for charging of various services.
9.	ITPO/RTI/04/09/2019	Is area occupied by stands always 60% of gross area or is it less? In our view, it is 50% in Halls which are rectangular and 45% in Halls which are not, such as Hall 7 A-F.	The area available for stands depends on factors such as stall size (larger is the average stall size, higher is the efficiency and vice versa) and passage width (small is the passage width, higher is the efficiency and vice versa). Stall size and passage width (above the mandatory requirement) are decided by the Organisers, which have major implications on area available for stands. Since area occupied by stands differs in each exhibition due to these factors, so median efficiency of 60% is taken for available stands.
		Where has the figure of Rs.26 per sqm per	The figure of Rs.26.00 per sq.mtr. per

		day come from What is the basis for arriving at this figure? Why is it not Rs.12 or 13 per sqm per day?	day for Stand lighting charges comes from the calculations after hke in the rates of M/s BRPL @ 12% in August, 2014. The earlier rates of stand lighting charges was Rs.23.00 per sq.mtr. per day.
		Why is ITPO not charging the way other Exhibition venues in India are charging.?	Seeking clarifications/ reasons is not covered under the ambit of "Information" as defined u/s 2(f) of the RTI Act, 2005; hence it cannot be provided. However, the ITPO has its own procedure for charging of various services.
		Why is the figure different from Power, AC and Blower?	The figure for different services like Power, AC, Blower are different and depends on the expenditure on maintenance and operation.
		Why is the rate in Rs. Per sq.m per day instead of universally accepted Rs. Per Unit.?	ITPO has its own procedure for charging of various services.
10.	ITPO/RTI/04/10/2019	The yearwise information on sponsorship/financial assistances, provided by the <u>PSUs, JVs and subsidiaries under your Department</u> ; containing the names of the grantee agencies, titles of their projects and the amount sanctioned to each such project during the last five financial year (2014-2019)	ITPO do not provide any financial assistance to any Department/Agency directly.
