THE KEY EMBLEM

Unlocking New Business Avenues

ITPO takes inspiration from India's golden past, while aspiring for its bright future. The ITPO emblem has been derived from an inscription on a gold coin belonging to the era of Emperor Samudragupt (Circa 330-380 A.D.), symbolising the zenith achieved in external trade by ancient India.

The vertical and horizontal strokes in the symbol represent masts of a ship while the key represents the anchor.

ITPO is committed to continue the trend and recapture the excellence achieved by our forebears in area of trade and commerce.

INDIA TRADE PROMOTION ORGANISATION A PROFILE

ITPO, the premier trade promotion agency of the Ministry of Commerce and Industry (Government of India), is committed to showcase excellence achieved by the country in diverse fields especially trade and commerce. It is a Mini Ratna Category-I CPSE of the Government of India.

ITPO provides a wide spectrum of services to trade and industry and acts as a catalyst for growth of India's trade. ITPO has an extensive infrastructure as well as marketing and information facilities that are availed by both exporters and importers. It assists buyers seeking information relating to sourcing products from India and providing opportunities for India's trade and investment.

ITPO organises national level participation in major overseas trade fairs and exclusive India Sourcing Fairs showcasing the best of India globally. Participation in events is based in line with the market opportunities and keeping in view the Government's FOCUS programme for countries in Latin America, Africa and CIS countries. Currently ITPO organises India Pavilions in more than 40 events globally. Some of the prominent overseas events in which ITPO organises participation are ANUGA-Cologne (Germany), AF-L Artigiano de Fiera – Milan (Italy), Summer Fancy Food Show, New York(USA), Africa Big Seven, SAITEX, Automechanika in Johannesburg (South Africa), Thessaloniki Intl. Fair, Thessaloniki (Greece), Medica, Dusseldorf (Germany), Fiera Del Levante-Bari (Italy), Aapex, Las Vegas (USA) besides popular India Shows in Osaka (Japan) organised by ITPO viz. – India Garment Fair, India Silk Fair and India Home Furnishing Fair.

During the year 2019-20, ITPO proposes to organise 18 trade fairs/events in India and organise/participate in 55 (approx.) overseas events besides assisting the third party organisers in organising 75 (approx.) trade related events in Pragati Maidan.

ITPO's regional offices at Chennai, Kolkata and Mumbai through their respective profile of activities, ensure a concerted and well coordinated trade promotion drive throughout the country.

With the commissioning of the state-of-the-art Chennai Trade Centre (CTC) in January, 2001 and the Trade Centre Bengaluru (TCB) in September 2004, ITPO has provided technical assistance in construction of the first phase of the setting up of modern exhibition facilities outside Delhi. During the year 2018-19, CTC hosted 107 events/exhibitions and 77 convention related programmes.

Likewise, the formal commissioning of the Trade Centre Bengaluru (TCB) at Whitefield in September 30, 2004, as a joint initiative of ITPO and the Karnataka State Industrial Area Development Board, is the harbinger of an added impetus to trade promotion through fairs, exhibitions and associated activities of the State and southern region. During 2018-19, TCB hosted 15 events/exhibitions and 30 conventions.

On the advice of the Department of Commerce, ITPO has coordinated the construction of an exhibition-cum-trade complex at Sarusajal, Guwahati under 'Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE)' Scheme. The Maniram Dewan Trade Centre spread over an area of 10 acres has been completed and handed over to Government of Assam for further operation. ITPO is providing assistance to State Government of Jammu & Kashmir (J&K) in setting up Regional Trade Promotion Centres (RTPC) in Pampore (Jammu & Kashmir). Jammu & Kashmir Trade Promotion Organisation (JKTPO) incorporated on 30th May 2018 as a Section 8 Company as per Companies Act, 2013 is a joint venture between Jammu & Kashmir Small Scale Industries Development Corporation Ltd., (SICOP), India Trade Promotion Organisation (ITPO) & Export Promotion Council for Handicrafts (EPCH) with proportion equity 51% from SICOP, 44% from ITPO and 5% from EPCH. An area of 270 kanals of land has been earmarked in an upcoming area of Sempora, Pampore located just 8 kms from Srinagar.

Similarly, ITPO is also providing assistance to State Governments in setting up Regional Trade Promotion Centres (RTPC) in Kochi (Kerala) besides other state capitals and major cities.

At present ITPO owns and manages the Pragati Maidan Exhibition Complex which is the largest exhibition centre in India both in terms of exhibition space and the number of events held (approx. 90 events per year). The total area of Pragati Maidan Complex is 123.51 acres (inclusive of 5.53 acres occupied by National Science Centre and 2.49 acres by Crafts Museum).

ITPO is now implementing its ambitious plan of re-development of its landmark fairground Pragati Maidan, evolving a modern, state-of-the-art **International Exhibition-cum-Convention Centre (IECC)** bringing it on par with best exhibition and Convention Centres across the world. The project is of national importance.

International Exhibition-cum-Convention Centre (IECC)

A famed 'Cradle of South-Asian Modern Fair Culture', Pragati Maidan is poised for a complete revamp to fulfil the aspirations of the global exhibition fraternity. It promises to attract global participants and business delegates from across the world with its sheer magnificence, business conduciveness, architectural excellence, and being a majestic landmark destination to be experienced in its entire splendour.

IECC will be a landmark and iconic spot in Delhi and a symbol of 'New India' and in sync with India aspiring to be a global power. Fulfilling aspirations of expanding the business fraternity, IECC will mainly cater to G2G, G2B and B2B activities. With the latest architectural design along with basement parking for 4,800 vehicles and comprehensive traffic decongestion interventions, it will add to the grandeur, stature and profile of the capital city of Delhi.

Major Highlights of IECC

- The project proposal includes the development of 3,82,248 sqm. of total built up area including :
 - o state-of-the-art Convention Centre of an area of 53,399 sq.mtrs.
 - o six modern Exhibition Halls spread across area of 1,51,687 sq. mtrs
 - o Basement parking for 4800 cars spread across 1,68,305 sq. mtrs. area
 - o Administrative building in an area of 8,857 sq.mtrs.
- An area 3.70 acres on Bhairon Marg with independent entry and exit points is also being monetized for a luxury hotel as a part of the complex in line with the fact that hospitality, worldwide, is an integral part of any modern MICE destination.
- **Convention Centre**
 - o It will be a 34m tall landmark building on par with the best in the world. This structure will be on an elevated podium with a unique sloping facade incorporating the rich architectural heritage of Delhi.
 - o It will have a seating facility for 7000 pax in a single format (a Plenary Hall of 3000 pax capacity and a multi-Function hall of 4000 pax), five times that of Vigyan Bhawan, along with 25 meeting rooms of different capacities and comprising G20 and Premium rooms.
 - o It will also have an amphitheatre of 3,000 seating capacity.
- Traffic decongestion interventions vital for better access to IECC and for the benefit of general public are also being taken up.
 - o Purana Quila Road will be connected to Ring Road through a 6-lane divided tunnel cutting across Pragati Maidan providing an alternative to Bhairon Marg which remains choked beyond capacity.
 - o T-junctions of Bhairon Marg with Ring Road and Mathura Road and the entire stretch of Mathura Road from DPS to W-Point will be made single free.
 - o This would not only decongest traffic in this area but also will reduce pollution levels.
- The project cost for both IECC and traffic decongestion interventions is Rs.3437 crore. Both the Projects are in progress under a fast track mode.

THE MAIN ACTIVITIES AND SERVICES OF ITPO:

- ❖ Managing the extensive trade fair complex, Pragati Maidan
- ❖ Organising various trade fairs and exhibitions at its exhibition complex in Pragati Maidan and other centres in India.
- ❖ Facilitating the use of Pragati Maidan for holding of trade fairs and exhibitions by other fair organisers both from India and abroad.
- ❖ Timely and efficient services to overseas buyers in vendor identification, drawing up itineraries, fixing appointment and even accompanying them when required.
- ❖ Establishing durable contacts between Indian suppliers and overseas buyers.
- ❖ Assisting Indian companies in product development and adaptation to meet buyers' requirements.
- ❖ Organising Buyer-Seller Meets and other exclusive India Shows with a view to bring buyers and sellers together.
- ❖ Organising 'India Promotion Programmes' with Department Stores and Mail Order Houses abroad.
- ❖ Participating in overseas trade fairs and exhibitions.
- ❖ Arranging product displays for visiting overseas buyers.
- ❖ Organising seminars, conferences, workshops and trade-related subjects.
- ❖ Encouraging micro, small and medium scale units in export promotion efforts
- ❖ Conducting in-house and need-based research on trade and export promotion
- ❖ Enlisting the involvement and support of the State Governments in India for promotion of India's foreign trade.

PRAGATI MAIDAN

THE EXHIBITION COMPLEX

Pragati Maidan, headquarters of the India Trade Promotion Organisation is more than just the premier exhibition complex of India. True to the meaning of its name, 'Pragati Maidan' stands for development and progress through trade.

Being India's biggest world-class exhibition complex and a symbol of the 'Modern Fair Culture' in India, Pragati Maidan has grown with every event in stature and dimension. The development of the exhibition ground was a prelude to the hosting of the Railway Exhibition in 1952 to mark the centenary of Railways in India. This was followed by fairs like International Low Cost Housing Exhibition in 1955, International Graphics Art and Printing Machinery Fair in 1957, World Agriculture Fair in 1960 and Indian Industrial Exhibition in 1961. However, the sprawling complex took its shape during 1958. The seventies changed both the fair complex as well as its complexion, with the hosting of Asia 1972 – the third Asian International Trade Fair coinciding with India's Silver Jubilee Year of Independence. It was an important milestone, as the Indian business community could understand the potential of promotional events like the trade fairs. The fair ground was rechristened as 'Pragati Maidan'. In an ostensible acknowledgement of the significance of these events, the Trade Fair Authority of India (TFAI) was formed on April 1, 1977, by an Act of Parliament through the amalgamation of three bodies – Indian Council of Trade Fairs and Exhibitions, Directorate of Exhibitions and Commercial Publicity of the Ministry of Commerce and India International Trade Fair Organisation, with the primary aim of organising trade shows.

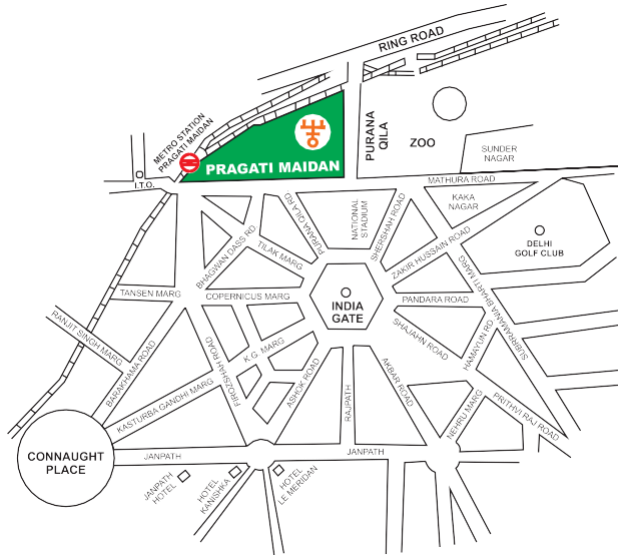

India Trade Promotion Organisation was formed subsequently on January 1, 1992 with the merger of the former Trade Development Authority (TDA) with the TFAI. TDA was set up in 1970 as a registered Society under the Ministry of Commerce. Professionally managing India's premier exhibition complex, ITPO has over the years reached many important milestones while performing its mandated role as the nodal trade promotion agency of the Government of India.

As a world class exhibition ground in India, Pragati Maidan hosts a series of high quality international and national trade fairs. Its exhibition halls, complete with a network of infrastructural facilities, in a lush green setting, make it the automatic choice of top-notch exhibition organisers from India and abroad.

In order to upgrade facilities at Pragati Maidan, ITPO has already started its iconic project of transforming Pragati Maidan into an iconic state-of-the-art International Exhibition-cum-Convention Centre (IECC).

Pragati Maidan offers a business environment that promises to transform challenges into opportunities. Visited by top representatives and captains of trade and industry from all over India and abroad, Pragati Maidan clearly tunes into the requirements of the vast Indian and global markets.

EXHIBITION FACILITIES AT REGIONAL CENTRES

Chennai Trade Centre

Commissioned in January, 2001, the Chennai Trade Centre (CTC) is managed by Tamil Nadu Trade Promotion Organisation (TNTPO), a joint venture of ITPO and Tamil Nadu Industrial Development Corporation (TIDCO).

The state-of-the-art CTC is the first fair infrastructure that has been developed by ITPO outside Delhi. Set up over an area of 25.48 acres in Nandambakkam at a prime location in Chennai. CTC has three halls – Hall No. 1(4,400 sq. mtrs) Hall No. 2 (1, 760 sq.mtrs.) and Hall No.3(4,400 sq.mtrs) with six meters height to display all merchandise including machinery. The Trade Centre is architecturally and technically designed to be a “state-of-the-art” Exhibition Complex. The Air – Conditioned halls with no intermittent pillars or columns, are eminently suitable for multi-purpose use of organizing exhibitions, conferences, conventions and conducting other trade, commerce and industry-related events. All the halls are inter-linked and Hall No. 3 is connected with convention centre.

The Convention Centre can accommodate 1,500 participants with a provision for dividing the hall into two equal parts. The audio-visual facility provided at the Convention Centre is of world standards and is eminently suitable for multi-purpose use such as conference, conventions, cultural shows etc.

Special facilities available in the Convention centre are sliding partition, infra-red digital interpretation systems, theatrical lighting system, fire protection with sprinklers and smoke detectors, modern audio-video system, meeting rooms, banquet hall, protocol and VIP lounge, business centre, information booth, parking facilities, multiple screen backdrops with cyclorama screen and multiple interpretation facility for 1+5 languages, video projection facility, integrated remote control for stage lighting, video and audio.

Bengaluru Trade Centre

The Trade Centre, Bengaluru (TCB) is located at a prime area in Export Promotion Industrial Park, Whitefield, Bengaluru and covers an area of 48.5 acres with an air-conditioned Exhibition Hall of 5371 sq. mtrs. Eleven open stalls, each with an area of 38 sq.mtrs. have been constructed all around the Exhibition hall for display of heavy equipments, machineries and setting up of Food Courts, Business Centre etc. An open area of 30 acres is also available for open exhibitions and hangers can also be put up according to the convenience of exhibitors.

The TCB is architecturally and technically designed to be a state-of-the-art modern exhibition complex. The air-conditioned hall has only one central pillar which makes it conducive for multi-purpose usage including organising exhibitions, conventions and conferences. A centrally air-conditioned Conference Hall space of about 320 sq.mtrs. (Total of 3 Halls) with a seating capacity for about 550 delegates is also available at the mezzanine floor.

The TCB is centrally located at a distance of about 40 km. from Bengaluru International Airport and 22 km. from the Bengaluru City Railway Station and well connected to all parts of the city. It is within 3 km Radius of most of the prestigious five star hotels, EPIP, Whitefield, Bengaluru. The Trade Centre Bengaluru is managed by Karnataka Trade Promotion Organisation, a joint venture of ITPO and Karnataka Industrial Area Development Board (KIADB).
