ITPO takes inspiration from India's golden past while aspiring for a bright future. The ITPO emblem has been derived from an inscription on a gold coin belonging to the era of Emperor Samudragupta (Circa 330-380 A.D.) Symbolizing the zenith achieved in external trade by ancient India.

The vertical and horizontal strokes in the symbol represent masts of a ship while the key represents the anchor.

ITPO is committed to contine the trend and recapturethe excellence achieved by our forebears in the areas of trade and commerce.

# INDIA TRADE PROMOTION ORGANISATION A PROFILE

ITPO, the premier trade promotion agency of the Ministry of Commerce and Industry (Government of India), is committed to showcase excellence achieved by the country in diverse fields especially trade and commerce. It is a Mini Ratna Category-I CPSE of the Government of India.

ITPO provides a wide spectrum of services to trade and industry and acts as a catalyst for growth of India's trade. ITPO has an extensive infrastructure as well as marketing and information facilities that are availed by both exporters and importers. It assists buyers seeking information relating to sourcing products from India and providing opportunities for India's trade and investment.

ITPO organises national level participation in major overseas trade fairs and exclusive India Sourcing Fairs showcasing the best of India globally. Participation in events is based in line with the market opportunities and keeping in view the Government's FOCUS programme for countries in Latin America, Africa and CIS countries. Currently ITPO organises India Pavilions in more than 30 events globally. Some of the prominent overseas events in which ITPO organises participation are SIAL-Paris (France), AF-L Artigiano de Fiera – Milan (Italy), Summer Fancy Food Show, New York(USA), Thessaloniki Intl. Fair, Thessaloniki (Greece), Medica, Dusseldorf (Germany), Fiera Del Levante-Bari (Italy) besides popular India Shows in Osaka (Japan) organised by ITPO viz. – India Garment Fair, India Silk Fair and India Home Furnishing Fair.

During the year 2018-19. ITPO proposes to organise 19 trade fairs/events in India and organise/participate in 39 overseas events besides assisting the third party organisers in organising 76 (approx.) trade related events in Pragati Maidan.

ITPO's regional offices at Chennai, Kolkata and Mumbai through their respective profile of activities, ensure a concerted and well coordinated trade promotion drive throughout the country.

With the commissioning of the state-of-the-art Chennai Trade Centre (CTC) in January, 2001 and the Trade Centre Bengaluru (TCB) in September 2004, ITPO has provided technical assistance in construction of the first phase of the setting up of modern exhibition facilities outside Delhi. During the year 2017-18, CTC hosted 114 events/exhibitions and 75 convention related programmes.

Likewise, the formal commissioning of the Trade Centre Bengaluru (TCB) at Whitefield in September 30, 2004, as a joint initiative of ITPO and the Karnataka State Industrial Area Development Board, is the harbinger of an added impetus to trade promotion through fairs, exhibitions and associated activities of the State and southern region. During 2017-18, TCB hosted 35 events/exhibitions and conventions.

On the advice of the Department of Commerce, ITPO has coordinated the construction of an exhibition-cum-trade complex at Sarusajal, Guwahati under 'Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE)' Scheme. The Maniram Dewan Trade Centre spread over an area of 10 acres has been completed and handed over to Government of Assam for further operation. ITPO is also providing assistance to State Governments in setting up Regional Trade Promotion Centres (RTPC) in Pampore (Jammu & Kashmir) and in Kochi (Kerala) besides other state capitals and major cities.

At present ITPO owns and manages the Pragati Maidan Exhibition Complex which is the largest exhibition centre in India both in terms of exhibition space and the number of events held (approx. 90 events per year). The total area of Pragati Maidan Complex is 123.51 acres (inclusive of 5.53 acres occupied by National Science Centre and 2.49 acres by Crafts Museum.

ITPO is now implementing its ambitious plan of redevelopment of its landmark fair ground Pragati Maidan, involving a modern, state-of-the-art International Exhibition-cum-Convention Centre (IECC) in two phases, bringing it on par with best Exhibition and Convention Centres across the world. The project is of national importance.

#### The Iconic International Exhibition-cum-Convention Centre (IECC)

A famed 'Cradle of South-Asian Modern Fair Culture', Pragati Maidan is poised for a complete revamp to fulfil the aspirations of the global exhibition fraternity. It promises to attract global participants and business delegates from across the world with its sheer magnificence, business conduciveness, architectural excellence, and being a majestic landmark destination to be experienced in its entire splendour.

IECC will be a landmark and iconic spot in Delhi and a symbol of the Prime Minister's vision of 'New India' in sync with India aspiring to be a global power. Fulfilling aspirations of expanding the business fraternity, IECC will mainly cater to G2G, G2B and B2B activities. With the latest architectural design along with basement parking for 4,500 vehicles and comprehensive traffic decongestion interventions, it will add to the grandeur, stature and profile of the capital city of Delhi.

#### **Convention Centre**

The convention centre will be a 32.4 m-tall landmark building on par with the best in the world. This structure will be on an elevated podium with a unique sloping façade incorporating the rich architectural heritage of Delhi. With a capacity of 7,000 persons in single format (plenary hall with fixed seating of 3,000 persons and multi-function hall of 4,000 persons), five times that of Vigyan Bhawan. It will also have an amphitheatre for 3,000 persons, and 27 meeting rooms of different capacities.

#### **Exhibition Halls**

The proposed redevelopment plan (Phase-I) will result in an exhibition complex of 151,687 sq. m area. With integrated F&B facility with each exhibition hall, there will be six new modern exhibition halls with pre-function areas with covered exhibition space of one lakh sq.m. There will also be an open exhibition area (15 acres) with three open amphitheatres (of 900, 600 and 300 persons), covered walkways/canopies, and skywalk connectivity with the Pragati Maidan Metro Station. It will cater to the needs of the exponentially-growing meetings, incentives, conferences and exhibitions (MICE) industry and attract major events to the capital city of Delhi from across the world.

#### **Major Highlights of IECC**

- The CCEA approved the IECC on January 24, 2017 with the estimated cost of Rs.2254 crore (excluding the cost on account of traffic interventions).
- Layout plan and concept design have been approved by Delhi Urban Art Commission (DUAC), National Monuments Authority (NMA), South Delhi Municipal Corporation (SDMC) and other statutory authorities.
- Layout plan and building plans have also been approved by Fire Services Department of Govt. of Delhi. Traffic Interventions have been approved by Unified Traffic and Transportation Infrastructure (Planning & Engineering) Centre (UTTIPEC) in DDA and the Environmental clearance has been granted by the Ministry of Environment and Forests (MOEF).
- In addition, high performance of IECC infrastructure will have intelligent connections with energy sources, including the smart grid, and vital component of sustainable, smart urban plans that leverage symbiotic, whole system design principle to minimize waste and maximize efficiency, there would be a convergence of IT and building technologies.
- It will have environment features reducing the burden of traffic, dedicated convenience parking with latest digital technologies to enhance quality and performance of services.
- State-of-the-art information and communication technology will enable solutions over a common platform.
- Apart from extensive plantation, the Convention Centre will be set up with GRIHA (4 rating) and the Exhibition Halls with GRIHA (3 rating) and incorporating solar PV panels for solar power generation as per GRIHA guidelines.

## THE MAIN ACTIVITES AND SERVICES OF ITPO are:

- Managing the extensive trade fair complex, Pragati Maidan
- Organising various trade fairs and exhibitions at its exhibition complex in Pragati Maidan and other centres in India.
- Facilitating the use of Pragati Maidan for holding of trade fairs and exhibitions by other fair organisers both from India and abroad.
- Timely and efficient services to overseas buyers in vendor identification, drawing up itineraries, fixing appointment and even accompanying them when required.
- Establishing durable contacts between Indian suppliers and overseas buyers.
- Assisting Indian companies in product development and adaptation to meet buyers' requirements.
- Organising Buyer-Seller Meets and other exclusive India Shows with a view to bring buyers and sellers together.

- Enlisting the involvement and support of the State Governments in India for promotion of India's foreign trade.

#### PRAGATI MAIDAN

#### THE EXHIBITION COMPLEX

Pragati Maidan, headquarters of the India Trade Promotion Organisation is more than just the premier exhibition complex of India. True to the meaning of its name, 'Pragati Maidan' stands for development and progress through trade.

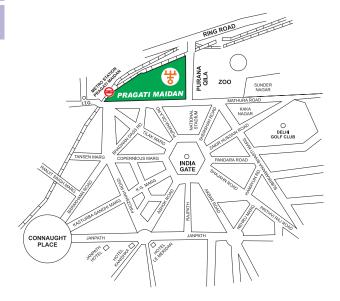

Being India's biggest world-class exhibition complex and a symbol of the 'Modern Fair Culture' in India, Pragati Maidan has grown with every event in stature and dimension. The development of the exhibition ground was a prelude to the hosting of the Railway Exhibition in 1952 to mark the centenary of Railways in India. This was followed by fairs like International Low Cost Housing Exhibition in 1955, International Graphics Art and Printing Machinery Fair in 1957, World Agriculture Fair in 1960 and Indian Industrial Exhibition in 1961. However, the sprawling complex took its shape during 1958. The seventies changed both the fair complex as well as its complexion, with the hosting of Asia 1972 - the third Asian International Trade Fair coinciding with India's Silver Jubilee Year of Independence. It was an important milestone, as the Indian business community could understand the potential of promotional events like the trade fairs. The fair ground was rechristened as 'Pragati Maidan'. In an ostensible acknowledgement of the significance of these events, the Trade Fair Authority of India (TFAI) was formed on April 1, 1977, by an Act of Parliament through the amalgamation of three bodies -Indian Council of Trade Fairs and Exhibitions, Directorate of Exhibitions and Commercial Publicity of the Ministry of Commerce and India International Trade Fair Organisation, with the primary aim of organising trade shows.

India Trade Promotion Organisation was formed subsequently on January 1, 1992 with the merger of the former Trade Development Authority (TDA) with the TFAI. TDA was set up in 1970 as a registered Society under the Ministry of Commerce. Professionally managing India's premier exhibition complex, ITPO has over the years reached many important milestones while performing its mandated role as the nodal trade promotion agency of the Government of India.

As a world class exhibition ground in India, Pragati Maidan hosts a series of high quality international and national trade fairs. Its exhibition halls, complete with a network of infrastructural facilities, in a lush green setting, make it the automatic choice of top-notch exhibition organisers from India and abroad.

In order to upgrade facilities at Pragati Maidan, ITPO has already started its iconic project of transforming

#### **LOCATION MAP**

Pragati Maidan into an iconic state-of-the-art International Exhibition-cum-Convention Centre (IECC).

Pragati Maidan offers a business environment that promises to transform challenges into opportunities. Visited by top representatives and captains of trade and industry from all over India and abroad, Pragati Maidan clearly tunes into the requirements of the vast Indian and global markets.

#### TRADE PORTAL & MEMBERSHIP OF ITPO

The exhibition complex is also an ideal business rendezvous and repository for a wide range of relevant trade information. ITPO has set-up a Trade Portal www.tradeportalofindia.org at Pragati Maidan. The portal was set up by the Government of India under the EU – India Trade Investment and Development Programme for promoting trade between India and EU. This provides information to ITPO's members on the Indo-EU countries and also covers other countries and regions as well. It offers linkages to relevant government websites that provide information access, both off-line and online, on countries, trade statistics, market surveys, sector-based information and statistics, country regulations, trade events, business directory etc. At present this Portal contains information on more than 100 countries including 27 countries of EU.

#### **EXHIBITION FACILITIES AT REGIONAL CENTRES**

#### **Chennai Trade Centre**

Commissioned in January, 2001, the Chennai Trade Centre (CTC) is managed by Tamil Nadu Trade Promotion Organisation (TNTPO), a joint venture of ITPO and Tamil Nadu Industrial Development Corporation (TIDCO).

The state-of-the-art CTC is the first fair infrastructure that has been developed by ITPO outside Delhi. Set up over an area of 25.48 acres in Nandambakkam at a prime location in Chennai. CTC has three halls – Hall No. 1(4,400 sq. mtrs) Hall No. 2 (1, 760 sq.mtrs.) and Hall No.3(4,400 sq.mtrs) with six meters height to display all merchandise including machinery. The Trade Centre is architecturally and technically designed to be a "state-of-the-art" Exhibition Complex. The Air – Conditioned halls with no intermittent pillars or columns, are eminently suitable for multi-purpose use of organizing exhibitions, conferences, conventions and conducting other trade, commerce and industry-related events. All the halls are inter-linked and Hall No. 3 is connected with convention centre.

The Convention Centre can accommodate 1,500 participants with a provision for dividing the hall into two equal parts. The audio-visual facility provided at the Convention Centre is of world standards and is eminently suitable for multi-purpose use such as conference, conventions, cultural shows etc.

Special facilities available in the Convention centre are sliding partition, infra-red digital interpretation systems, theatrical lighting system, fire protection with sprinklers and smoke detectors, modern audio-video system, meeting rooms, banquet hall, protocol and VIP lounge, business centre, information booth, parking facilities, multiple screen backdrops with cyclorama screen and multiple interpretation facility for 1+5 languages, video projection facility, integrated remote control for stage lighting, video and audio.

#### **Bengaluru Trade Centre**

The Trade Centre, Bengaluru (TCB) is located at a prime area in Export Promotion Industrial Park, Whitefield, Bengaluru and covers an area of 50 acres with an airconditioned Exhibition Hall of 5371 sq. mtrs. Eleven open spaces, each with an area of 38 sq.mtrs. have been constructed all around the Exhibition hall for display of heavy equipments, machineries and setting up of Food Courts, Business Centre etc. An open area of 20 acres is also available for open exhibitions and hangers can also be put up according to the convenience of exhibitors.

The TCB is architecturally and technically designed to be a state-of-the-art modern exhibition complex. The airconditioned hall has only one central pillar which makes it conducive for multi-purpose usage including organising exhibitions, conventions and conferences. A centrally airconditioned Conference Hall measuring 1,500 sq.mtrs. with seating capacity for 200 delegates is also available at the mezzanine floor.

The TCB is centrally located at a distance of about 40 km. from Bengaluru International Airport and 22 km. from the Bengaluru City Railway Station and well connected to all parts of the city. It is within 3 km Radius of most of the prestigious five star hotels EPIP, Whitefield, Bengaluru. The Trade Centre Bengaluru is managed by Karnataka Trade Promotion Organisation, a joint venture of ITPO and Karnataka Industrial Area Development Board (KIADB).
