ITPO takes inspiration from India's golden past, while aspiring for a bright future. The ITPO emblem has been derived from an inscription on a gold coin belonging to the era of Emperor Samudragupta (Circa 330-380 A.D.), Symbolizing the zenith achieved in external trade by ancient India.

The vertical and horizontal strokes in the symbol represent masts of a ship while the key represents the anchor.

ITPO is committed to continue the trend and recapture the excellence achieved by our forebears in the areas of trade and commerce.

## **INDIA TRADE PROMOTION ORGANISATION A PROFILE**

ITPO, the premier trade promotion agency of the Ministry of Commerce and Industry (Government of India), is committed to showcase excellence achieved by the country in diverse fields especially trade and commerce. It is a Mini Ratna Category-I CPSE of the Government of India.

Likewise, the formal commissioning of the Trade Centre Bengaluru (TCB) at Whitefield in September 30, 2004, as a joint initiative of ITPO and the Karnataka State Industrial Area Development Board, is the harbinger of an added impetus to trade promotion through fairs, exhibitions and associated activities of the State and southern region. During 2016-17, TCB hosted 35 events/exhibitions and conventions.

On the advice of the Department of Commerce, ITPO has coordinated the construction of an exhibition-cum-trade complex of Sarusajal, Guwahati under 'Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE)' Scheme. ## **PRAGATI MAIDAN** **THE EXHIBITION COMPLEX**

Pragati Maidan, headquarters of the India Trade Promotion Organisation is more than just the premier exhibition complex of India. True to the meaning of its name, 'Pragati Maidan' stands for development and progress through trade.

Being India's biggest world-class exhibition complex and a symbol of the 'Modern Fair Culture' in India, Pragati Maidan has grown with every event in stature and dimension. The development of the exhibition ground was a prelude to the hosting of the Railway Exhibition in 1952 to mark the centenary of Railways in India. This was followed by fairs like International Low Cost Housing Exhibition in 1955, International Graphics Art and Printing Machinery Fair in 1957, World Agriculture Fair in 1960 and Indian Industrial Exhibition in 1961. However, the sprawling complex took its shape during 1958. The seventies changed both the fair complex as well as its complexion, with the hosting of Asia 1972 – the third Asian International Trade Fair coinciding with India's Silver Jubilee Year of Independence. It was an important milestone, as the Indian business community could understand the potential of promotional events like the trade fairs. The fair ground was rechristened as 'Pragati Maidan'. In an ostensible acknowledgement of the significance of these events, the Trade Fair Authority of India (TFAI) was formed on April 1, 1977, by an Act of Parliament through the amalgamation of three bodies – Indian Council of Trade Fairs and Exhibitions, Directorate of Exhibitions and Commercial Publicity of the Ministry of Commerce and India International Trade Fair Organisation, with the primary aim of organising trade shows.

India Trade Promotion Organisation was formed subsequently on January 1, 1992 with the merger of the former Trade Development Authority (TDA) with the TFAI. TDA was set up in 1970 as a registered Society under the Ministry of Commerce. Professionally managing India's

premier exhibition complex, ITPO has over the years reached many important milestones while performing its mandated role as the nodal trade promotion agency of the Government of India. Also Significant has been the setting up of the National Centre for Trade Information (NCTI), jointly by ITPO and the National Informatics Centre (NIC), Government of India at Pragati Maidan in October 1994. ITPO, apart from maintaining its own database with regard to products and markets, is also regularly interacting with NCTI for supplementing its information base.

As a world class exhibition ground in India, Pragati Maidan hosts a series of high quality international and national trade fairs. Its exhibition halls, complete with a network of infrastructural facilities, in a lush green setting, make it the automatic choice of top-notch exhibition organisers from India and abroad.

In order to upgrade facilities at Pragati Maidan, ITPO will be developing a state-of-the-art Integrated Exhibition-cum-Convention Centre (IECC) in Pragati Maidan.

Pragati Maidan offers a business environment that promises to transform challenges into opportunities. Visited by top representatives and captains of trade and industry from all over India and abroad, Pragati Maidan clearly tunes into the requirements of the vast Indian and global markets.
