		<p>May please refer to Para 2.ii) of DPE O.M.No.2(70)/08-DPE (WC)-GL-VII/09 dated 2nd April, 2009, which is reproduced</p>																																													

	<p>below:</p> <p>“Para 2.ii): Superannuation Benefit: The ceiling of 30% towards superannuation benefits would be calculated on Basic Pay plus DA instead of Basic Pay alone. Any superannuation benefit will be under a “defined contribution scheme” and not under a “defined benefit scheme”. CPSEs that do not have superannuation scheme may develop such scheme and obtain the approval of their Administrative Ministry. However, no other superannuation benefit can be granted outside this 30% ceiling (Para 12, Annex IV(v) of O.M. dated 26.11.2008 refers)”. As per Para 2.ii) above -After taking into account payment of PF and Gratuity of 12% and 4.8% respectively of the ceiling of 30%, the balance of 13.2% was to cover the “Pension” and the “Post-retirement Medical” Schemes in line with DPE guidelines and the same is learnt was proposed for the kind consideration of ITPO Management in February 2016. The break- up initially proposed for earmarking in the Pension and Post-Retirement Medical Schemes of ITPO as learnt, was to be 9% and 4% respectively. Incidentally, the DPE guidelines in the matter were subject to the rider that after allocation of 30% of basic pay and DA as superannuation benefits for its employees, the profit before tax (PBT) of the CPSE concerned should not go down by more than 20% in the year 2007-08. The audited account of ITPO for the year 2007-08 (the reference year as per DPE guidelines) showed a PBT of Rs.68.59 crores, leaving a scope for a ceiling amount of Rs.13.71 crore to be accommodated under Superannuation benefits of employees in accordance with the DPE guidelines. The employer’s contribution in the Pension of retirees of ITPO has been merely 7% against proposed one of 9%.</p> <p>In the above context, please arrange to provide the following information:</p> <p>A. a) Is it true that the “Post-superannuation medical Scheme” for the employees of ITPO has been developed by ITPO Management long back and the budget earmarked for this scheme is being shown as Liability in the records of ITPO? True or False. If True,</p> <p>i. When was the Scheme developed? Please mention date, month and year when the Scheme was developed and submitted for approval of the competent authority.</p> <p>ii. What amount has been earmarked as ‘Liability’ under the Head “Post-superannuation medical Scheme” for the employees of ITPO?</p> <p>iii. Since when the amount earmarked under this Head is being carried forward as “Liability” in the records of ITPO?</p> <p>b) Has the “Post-retirement Medical Scheme” developed by ITPO ever been submitted before the Board of Directors, ITPO for its approval? If so,</p> <p>i) when and how many times was it submitted?</p> <p>ii) Was it given approval of the BOD, ITPO?</p>	<p>The Division concerned has intimated that the post retirement Medical Scheme (PRMS) is under consideration.</p> <p>- Do -</p> <p>The Division concerned has intimated that the financial liability is yet to be worked out.</p> <p>- Do -</p> <p>The PRMS is yet to be submitted to the Board.</p> <p>N.A.</p>

If Yes,</p> <p>d) Has this scheme been given approval of the Administrative Ministry for implementing the same by ITPO or still pending in the Administrative Ministry for approval? If Pending with the Administrative Ministry, since when?</p> <p>e) Has ITPO opened or yet to open Medical Corpus to extend medical facility to its retired employees?</p> <p>B) BOD, ITPO in its 196th Meeting held on 28.03.2016 approved the introduction of Pension Scheme and Creation of Pension Corpus for ITPO employees w.e.f. 01.01.2007, which had been sent to Department of Commerce, Ministry of Commerce & Industry on 22.04.2016 for seeking final approval.
