

India Trade Promotion Organisation
Regional Office, Kolkata.

Tender for the work of: Setting up of computer Registration Desk in India International Leather Fair in the Years 2017 and 2018.

India Trade Promotion Organisation (ITPO), the premier trade promotion organisation of Government of India, is organising India International Leather Fair (IILF) at Milan Mela complex during 26th – 28th February, 2017. ITPO intends to engage an agency for computerised registration of business visitors during the exhibition.

The agency would be broadly responsible for the following jobs:

Installing 3 nos. of computer systems (minimum (P-IV) and laser printers with cartridge along with CVT/UPS at the registration counters with provision of networking the computers for centralised processing of data for report generation etc..

The installation of computer system etc should be completed by 18.00 hrs on 25th February 2017 so that visitors approaching registration counter may be registered at the very beginning of the fair on 26th February 2017.

Providing services of 3 data entry operators for feeding information into the computer, based on the registration forms/Business cards across the counters.

Provision of back up support including services of supervisors/engineers

Providing guidance to the visitors for filling up the form properly.

Feeding complete details of the visitors into the database based on the registration forms.

Generate report on visitors' turn out covering country/product/category wise as well as brief summary of visitors and submit to ITPO on day –to-day basis and final consolidated report at the end of the event.

The data will be given in MS Excel/Access Programme. The address will be broken into following fields so that the same could be converted into mailing labels.

| | | |
|-----------|-------------|---------------|
| Name | Designation | Company |
| Address I | Address II | Address III |
| City | Pin Code | State/Country |
| Phone | Fax | E-mail ID |

On the last day of the fair, the agency will give a consolidated report for the total number of visitors (national & international separately) within one hour of the closing time. The data should be handed over to ITPO in hard copy and pen drive format in the fair ground itself.

The data of the visitors and the exhibitors which will be generated during the fair will be sole property of ITPO and the agency will not make any use of the same for any purpose other than for generating reports for ITPO. After submitting the final report to ITPO on the last day, the data will be deleted from the agency's computer in presence of ITPO official. Any violation in this regard will result in legal action and monetary penalty.

Generating detailed profiles of the visitors by 28th February 2017 on hard copy as well as in CD-Rom (e copies) and submitting the same to ITPO after conclusion of the fair. The agency should come to Regional Office, Kolkata and complete the job in RO, Kolkata itself.

The computer registration desk will be operational one hour before the commencement of the event each day and will be closed after taking outputs in the evening.

The sealed quotations will be accepted till 31/01/2017 up to 12.00 O'clock and will be opened on the same day at 12.30 pm.

Agencies interested in undertaking the above job may submit their quotation to the following address:
