MESSAGE

I am delighted to learn that the India Trade Promotion Organization (ITPO), in collaboration with the Ministry of Food Processing Industries, is hosting the 39th edition of AAHAR – the International Food & Hospitality Fair from 4th to 8th March 2025 at Bharat Mandapam, New Delhi.

Under the dynamic leadership of our Hon'ble Prime Minister Shri Narendra Modi ji, the Government of India has launched flagship programs that have significantly strengthened and accelerated the growth of India's food processing and hospitality sectors by encouraging domestic manufacturing, promoting local enterprises and enhancing global competitiveness. AAHAR 2025 aligns seamlessly with these initiatives by facilitating knowledge exchange, fostering business collaborations and showcasing India's capabilities on the global stage.

AAHAR is a premier B2B platform for the global food processing and hospitality industries, offering excellent opportunities for Indian and international buyers to connect with vendors, strengthen supply chains and enhance business models. These events go beyond exhibitions; they serve as powerful catalysts for growth, innovation and transformation. They also provide invaluable global visibility, helping India's burgeoning industries build a reputation as leaders in the global marketplace while advancing the country's food and hospitality landscape to new heights.

I extend my heartfelt congratulations and best wishes to ITPO and all its partner organizations for their unwavering efforts in making AAHAR 2025 a grand success.

MESSAGE

It is with great pride and enthusiasm that I welcome you to **AAHAR – The International Food & Hospitality Fair**, a premier platform that has been at the forefront of shaping India's food and hospitality landscape for decades. As one of the largest trade fairs in Asia, **AAHAR** continues to be a catalyst for innovation, collaboration, and business excellence in the food, beverage, and hospitality sectors. **AAHAR** will bring together the brightest and the best from around the country as well as from abroad in the food sector, highlight their achievements and generate new ideas and partnerships.

2. This fair catalogue serves as a gateway to a dynamic ecosystem of industry leaders, pioneering enterprises, and emerging innovators who are redefining the future of food and hospitality. It is a testament to the immense potential and resilience of the sector, showcasing a diverse spectrum of products, services, and solutions that cater to both domestic and global markets.

3. The food and hospitality industry are undergoing a remarkable transformation, driven by evolving consumer preferences, technological advancements, and a heightened focus on sustainability. **AAHAR** provides a unique opportunity to explore these trends, forge meaningful partnerships, and unlock new business avenues. It is a space where ideas converge, best practices are shared, and the foundations of future collaborations are laid.

4. I encourage all participants to immerse themselves in this vibrant marketplace—engage with exhibitors, discover ground breaking solutions, and harness the power of networking to drive growth and innovation. Let this event be a stepping stone toward a more sustainable, efficient, and globally competitive food and hospitality ecosystem.

Wishing everyone a productive and rewarding experience at **AAHAR!**

MESSAGE

Dr. R.N. Jadli
President
All India Food Processors' Association

On behalf of **All India Food Processors' Association (AIFPA)**, we heartily welcome all Exhibitors, Visitors and Participants at the **39th AAHAR - The International Food and Hospitality Fair** being held from **4th – 8th March, 2025** at **Bharat Mandapam, Pragati Maidan, New Delhi**.

AIFPA, as an apex body dedicated to the growth and development of food processing industry in the country, takes immense pleasure in associating with **ITPO**, the organizers of this special event, and conveys its heartiest compliments to the entire **ITPO Organizing Team** for this wonderful achievement. It is a matter of pride for us that **ITPO** has been conducting this event so successfully since many decades.

AAHAR has today earned the credentials of a landmark expo in the country and provides great encouragement to the food industry, startups, entrepreneurs, food technologists, food machinery & packaging manufacturers, exporters, distributors and a number of allied activities over the entire food value chain. This is a remarkable contribution to nation building. We wish **AAHAR** greater success in times to come.

Food processing has often been clouded with misconceptions of the consumers that processed foods are unhealthy, lower in nutrients, containing artificial ingredients and are of potential risks to human health. However, this narrative disregard the crucial role which food processing industry is playing to ensure safety, enhancing nutrition, reducing food waste, and addressing global food security. Despite these benefits, misinformation is being spread through various social media platforms by the self-styled food experts fueling the perception that processed foods are inherently unhealthy or "unnatural". Therefore, it is essential to bring consumer awareness for dispelling these myths.

Keeping this critical issue in mind, **AIFPA** is organizing its **80th Annual Conference** on "**Negativity & Myths About Food Processing: The Science Behind Safe and Healthy Food**" & **AIFPA Food Safety Award 2024 Ceremony** on **6th March, 2025** at **MR-19, Bharat Mandapam, Pragati Maidan, New Delhi, India**, during the India's leading exhibition **AAHAR-2025**. The conference will be attended by large number of Industry leaders, Food manufacturers, Scientists and Senior government officials.

We take this opportunity to convey our best wishes to the Exhibitors, Visitors, and Speakers of the **39th AAHAR-2025** so that their participation is useful & fruitful in the Nation Building.

The Council of Indian Food Trade (CIFT) is an organization dedicated to promoting and advancing the vision of "Make in India" in the food industry. Its core objective is to elevate Indian food products both within India and globally, establishing India as a leading global hub for food and agribusiness. By fostering growth, facilitating trade, and advocating for the interests of the Indian food industry, CIFT aims to ensure that Indian food products gain recognition for their quality, diversity, and sustainability on the world stage.

CIFT's efforts are focused on creating a vibrant ecosystem for the Indian food sector that benefits all stakeholders across the value chain. This includes manufacturers, exporters, farmers, food processors, and consumers. With the ever-growing demand for diverse food products worldwide, CIFT works towards strengthening India's position as a competitive player in the international market. By promoting innovation, encouraging the adoption of responsible practices, and leveraging the latest technologies, CIFT is committed to driving industry transformation and ensuring sustainability in food production and trade.

One of the major upcoming milestones in CIFT's journey is the participation of its members in Aahar 2025. Aahar is one of the largest food and hospitality exhibitions in India and serves as a platform for showcasing the best of Indian food products, technologies, and innovations. CIFT's active participation in Aahar is always expected to be a game-changer for the "Make in India" vision. This platform will provide immense opportunities for Indian food producers and exporters to engage with international buyers, establish valuable business partnerships, and expand their market presence. The exposure and networking opportunities offered at Aahar will significantly amplify the reach of Indian food brands on the global stage, promoting them to a wider audience.

At Aahar 2025, CIFT will also emphasize the importance of sustainability, quality, and innovation, which are the pillars of the Indian food industry's future. By highlighting the diversity of Indian food products and the expertise behind their production, CIFT aims to transform the perception

of Indian food on the international market, showcasing it as a symbol of excellence. Through collaboration and showcasing India's food industry's capabilities, CIFT aims to align with global food trends and contribute to India's growing influence in global agribusiness.

Ultimately, CIFT's vision is to ensure that the Indian food industry stands tall on the world stage. With a focus on fostering growth, driving innovation, and facilitating trade, CIFT is actively working to position India as a leader in the global food industry, one that is recognized for its rich traditions, commitment to quality, and sustainable practices. Through its collective efforts, CIFT is paving the way for a resilient, prosperous, and globally connected Indian food industry.

Leading FAIC into a Year of Innovation and Excellence

As I reflect on our journey, I am filled with immense pride and gratitude for our remarkable strides together. I'm truly grateful to see how the FAIC community has not only grown in numbers but also the quality of service, innovation, and professionalism we bring to the hospitality industry. It's your dedication and unwavering commitment to excellence that continues to drive our success, and I as President of FAIC, couldn't be prouder to be part of this incredible journey with you all.

As we step into an exciting new chapter, I am thrilled to announce the much-awaited Aahar 2025, scheduled for March 4 – March 9, 2025, at Delhi Pragati Maidan. This event will serve as a key platform for collaboration, learning, and showcasing the best of our industry. It is an opportunity for us to come together, celebrate our achievements, and explore new avenues of growth. Behind every thriving business is a dedicated and motivated team. I encourage you to invest in your people, reward their efforts, and provide them with the right tools and training to adapt to evolving industry trends.

For the catering and hospitality industry to thrive, embracing innovation is key. Tech-driven efficiency with AI-powered kitchen management and smart inventory tracking will streamline operations. Sustainability will take center stage, with a focus on zero-waste catering, eco-friendly packaging, and locally sourced ingredients. To stay competitive, continuous upskilling through online certifications and culinary training will be crucial. Personalized customer experiences powered by data insights will help businesses tailor menus to evolving tastes. Finally, cloud kitchens and virtual catering will offer flexibility and scalability, adapting to the changing market. By adopting these advancements, the industry can ensure lasting success.

With a fresh year ahead, let's channel our energy into innovation, collaboration, and raising industry standards. By uniting our expertise and passion, we can redefine excellence in catering and solidify FAIC's role as a leader in the evolving hospitality sector. Together, let's embrace new opportunities and set even higher benchmarks for success.

Quote: "Confidence grows when a team trusts, learns, and succeeds together."

AAHAR 2025 – 39वें संस्करण का भव्य स्वागत

हमें यह घोषणा करते हुए अत्यंत हर्ष हो रहा है कि भारतीय व्यापार संवर्धन संगठन (ITPO) द्वारा आयोजित 39वां AAHAR – अंतरराष्ट्रीय खाद्य और आतिथ्य मेला 2025 में अपने गौरवशाली सफर को जारी रखेगा। यह प्रतिष्ठित आयोजन खाद्य और आतिथ्य उद्योग में नवाचार, गुणवत्ता और वैश्विक सहयोग का प्रतीक बन चुका है, जो दुनियाभर के अग्रणी विशेषज्ञों और हितधारकों को एक मंच पर लाता है।

HOTREMAI को ITPO के साथ अपने दीर्घकालिक सहयोग पर गर्व है, और हम इस मेले को हर वर्ष समर्थन देने के लिए प्रतिबद्ध हैं। हमारा उद्देश्य सदैव अपने सदस्यों के लिए इस प्रदर्शनी में सुगम भागीदारी सुनिश्चित करना रहा है, जिससे उन्हें नए व्यापारिक अवसर प्राप्त हों। AAHAR के अलावा, हम ITPO द्वारा आयोजित विभिन्न राष्ट्रीय और अंतरराष्ट्रीय व्यापार मेलों में भी सक्रिय रूप से भाग लेते हैं ताकि हमारे सदस्यों को सर्वोत्तम व्यावसायिक सौदे मिल सकें।

इसके अतिरिक्त, हम FICCI, ASSOCHAM, और PHD चैंबर ऑफ कॉमर्स जैसी प्रमुख उद्योग संस्थाओं से जुड़े हुए हैं, जिससे न केवल हमें नवीनतम सरकारी नीतियों की जानकारी रहती है, बल्कि हम उद्योग की जरूरतों और चुनौतियों को प्रभावी रूप से सरकार तक पहुंचाने में भी सक्षम होते हैं। हम खुली बातचीत में विश्वास रखते हैं और बजट सिफारिशों जैसी महत्वपूर्ण नीतिगत चर्चाओं में योगदान देते हैं।

AAHAR 2025 के इस गौरवशाली संस्करण की सफलता के लिए हम आयोजकों को हार्दिक बधाई देते हैं और ITPO को इस मेले को उत्कृष्ट बनाने में उनके अथक प्रयासों के लिए धन्यवाद देते हैं। HOTREMAI की कार्यकारिणी समिति की ओर से, हम AAHAR 2025 के शानदार आयोजन की कामना करते हैं!

The World Is Becoming Plant-Based – And India Can Lead the Way!

Dear Exhibitors & Visitors,

Greetings From Plant Based Foods Industry Association (PBFIA)!

As the world shifts towards healthier, more sustainable food choices, India stands at a critical juncture. With rising concerns over food security, climate change, and health, plant-based foods are no longer just an alternative - they are a necessity. The demand for nutritious, cruelty-free, and environmentally responsible food options is growing rapidly, and the Indian market is poised to become a global leader in this transformation. But for this industry to truly take off, we need a strong ecosystem that fosters innovation, investment, and collaboration.

That's where the Plant Based Foods Industry Association (PBFIA) comes in. As the driving force behind the plant-based movement in India, PBFIA is committed to creating an environment where Indian businesses can thrive, our consumers can make informed choices, and policymakers can shape a sustainable future. By bringing together key stakeholders around the country, PBFIA is accelerating the growth of plant-based foods in India, making it a mainstream and accessible option for all.

To further this mission, PBFIA is proud to present the 6th Mega Convention – India Plant Based Foods Show 2025, a part of 39th AAHAR - The International Food & Hospitality Fair, happening at Bharat Mandapam, Pragati Maidan, New Delhi, on March 4, 2025. This landmark event kicks off a pivotal moment in India's plant-based revolution, uniting industry pioneers, policymakers, investors, and food innovators to explore groundbreaking ideas around Soy, infrastructure developments, interesting presentations about protein clusters and tackle industry challenges to drive sustainable change. Along with the main event, you are also invited to attend the Plant Based Foods Arena on 4th March, at Bharat Mandapam and Plant Based Food Pavillion from 4th March to 8th March, 2025 at Pragati Maidan to connect, learn, and be a part of history.

And if you think plant-based food is just about salads and tofu, wait until you experience the Plant-Based Foods Culinary Art Show at Culinary Art India (CAI) 2025 6th March, 2025 at Hall No 5, Pragati Maidan! This exclusive showcase will bring together top chefs, food scientists, and culinary experts to demonstrate how plant-based innovation is redefining taste, texture, and nutrition. From gourmet dishes to innovative plant-based alternatives, this show will challenge everything you thought you knew about sustainable eating.

So why should you attend? Because this is more than just an event - it's an opportunity. Network with industry leaders, discover the latest innovations, gain insights from experts, and be a part of India's sustainable food movement. Whether you're a business looking to scale, an investor exploring new opportunities, or simply someone who believes in the future of plant-based foods, this is where you need to be.

Welcome to the 6th Mega Convention – India Plant Based Foods Show 2025! Together, let's shape our future - one sustainable innovation at a time.

"The future of food isn't a trend. It's a movement - and the time to join is now."

Best Wishes,

Praveer Srivastava

INDIA TRADE PROMOTION ORGANISATION A PROFILE

The India Trade Promotion Organisation (ITPO) has a rich history that spans several decades and has played a crucial role in facilitating global trade and fostering economic cooperation among nations.

The first exhibition called “Railway Exhibition” was held at this venue on April 16, 1953 to commemorate the hundred years of Indian Railways. The exhibition complex took shape when the “World Agriculture Fair” was hosted here in 1958. The Indian Industry Fair was a landmark event at the venue during December 11, 1959 – March 8, 1960. Importantly, this fair was visited by the then US, President H.E. Dwight D. Eisenhower along with a high powered delegation. The exhibition complex was rechristened as Pragati Maidan in 1972 when “Asia 72”, a mega trade fair was held to celebrate the Silver Jubilee of India’s independence. The venue again attracted global attention when Queen Elizabeth of Britain visited Pragati Maidan in 1983. *With the changing times and to meet the emerging modern requirements, the venue underwent redevelopment and named ‘Bharat Mandapam’ by the Hon’ble Prime Minister of India, Shri Narendra Modi on July 26, 2023.*

India Trade Promotion Organisation (ITPO) came into being on January 1, 1992 with the merger of Trade Fair Authority of India (TFAI) established on April 1, 1977 by an Act of Parliament and Trade Development Authority (TDA) set up in 1970 as a registered society. The company is registered under section 25 of the Company Act, 1956 (now section 8 of the Companies Act 2013).

India Trade Promotion Organisation (ITPO), the premier trade promotion enterprise of the Ministry of Commerce & Industry, Government of India is committed to showcase excellence achieved by the country in diverse fields especially trade and commerce. Its mission is to promote, facilitate, encourage and coordinate various activities and programmes to enhance India’s share of exports. ITPO provides a wide spectrum of services to trade and industry and acts as a catalyst for growth of India’s trade and commerce.

Significantly, grown with every business event in stature and dimension, Bharat Mandapam, headquarter of the ITPO which is considered as a symbol of the “Modern Fair Culture” in South-Asia region. ITPO manages India’s world class exhibition complex which is constantly upgraded to keep it in a high standard of readiness.

The primary objective of ITPO was to enhance India’s export potential by organizing trade fairs, exhibitions and buyer-seller meets both within the country and abroad. These events provided a platform for Indian business to showcase their products and services to international buyers, fostering business relationships and increasing export opportunities.

The history of ITPO is a testament to India’s commitment to fostering international trade and economic cooperation. From its humble beginnings as the Trade Development Authority to its transformation into the India Trade Promotion Organization (ITPO) has played a pivotal role in shaping India’s trade policies, promoting its products and services worldwide, and positioning the country as a significant player in the global market place.

The comprehensive revamp plan of Pragati Maidan (**Now Bharat Mandapam**), IECC project was conceptualized by the ITPO as per the direction of the Hon’ble Prime Minister Shri Narendra Modi in December 2015, the Cabinet Committee on Economic Affairs approved it in January 2017 for implementation in a mission mode. The project has a total built-up area of 4.2 million sq.ft. comprising an iconic, World Class Convention Centre that can accommodate 7,000 people in a single format, six modern exhibition halls with an exhibition area of 1.5 lakh sqm and plenty of underground parking facilities and good infrastructure connectivity to encourage use of public transportation, but also allow roads to decongest fast. The revamped venue Bharat Mandapam is spread over 123 acres of prime land in the heart of India’s capital, New Delhi.

The redevelopment of the venue was driven by the need to modernize and expand the existing infrastructure, accommodate the increasing demands of the trade and exhibition industry, and position India as a global player in hosting world-class events.

ITPO’s regional offices are located at Chennai, Kolkata and Mumbai. The Chennai Trade Centre managed by TNTPO is a joint venture of ITPO and TIDCO in Chennai, Tamil Nadu and Trade Centre in Whitefield Bengaluru

is a joint venture of ITPO and Karnataka Industrial Area Development Board, managed by the Karnataka Trade Promotion Organisation. Apart from organizing several exhibitions such as India International Trade Fair, AAHAR, India International Leather Fair (Chennai), India International Security Expo, Delhi Book Fair and India International Footwear Fair, ITPO holds national level participation in leading overseas trade shows in line with the governments focus programmes for countries in Latin America, Africa and CIS countries. Various policy matters were reviewed and refined to promote third-party organizations at Bharat Mandapam.

ITPO has been strictly adhering to the CSR and sustainability guidelines issued by the Department of Public Enterprises and applicable Act and Rules of the Companies Act 2013.

Likewise, the formal commissioning of the Trade Centre Bengaluru (TCB) at Whitefield in September 30, 2004 as a joint initiative of ITPO and the Karnataka State Industrial Area Development Board, is the harbinger of an added impetus to trade promotion through fairs, exhibitions and associated activities of the State and southern region.

On the advice of the Department of Commerce, ITPO has coordinated the construction of an exhibition-cum-trade-complex at Sarusajal, Guwahati under "Assistance to States for Developing Export Infrastructure and Allied Activities (ASIDE)' Scheme. The Maniram Dewan Trade Centre spread over an area of 10 acres has been completed and handed over to Government of Assam for further operation. ITPO is providing assistance to State Government of Jammu & Kashmir (J&K) in setting up Regional Trade Promotion Centres (RTPC) in Pampore (Jammu & Kashmir).

Jammu & Kashmir Trade Promotion Organisation (JKTPO) incorporated on 30th May 2018 as a Section 8 Company as per Companies Act, 2013 is a joint venture between Jammu & Kashmir Small Scale Industries Development Corporation Ltd., (SICOP), India Trade Promotion Organisation (ITPO) & Export Promotion Council for Handicrafts (EPCH) with a proportion equity as 51% from SICOP, 44% from ITPO and 5% from EPCH. An area of 270 kanals of land has been earmarked in an upcoming area of Sempora, Pampore located just 8 kms from Srinagar.

Similarly, ITPO is also providing assistance to State Governments in setting up Regional Trade Promotion Centres (RTPC) in Kochi (Kerala) besides other state capitals and major cities.

At present ITPO owns and manages the Bharat Mandapam which is the

largest exhibition centre in India both in terms of exhibition space and the number of events held (approx. 90 events per year). The total area of Bharat Mandapam is 123.51 acres (inclusive of 5.53 acres occupied by National Science Centre and 2.49 acres by Crafts Museum).

BHARAT MANDAPAM

Bharat Mandapam has undergone a complete revamp to fulfil the aspirations of the global exhibition fraternity. It promises to attract global participants and business delegates from across the world with its sheer magnificence, business conduciveness, architectural excellence, and being a majestic landmark destination to be experienced in its entire splendor.

To overcome the lack of modern amenities, absence of an integrated exhibition complex and convention centre the Pragati Maidan 2.0 was designed and International Exhibition-cum-Convention Centre (IECC) was made a project of National Importance. The world-class Convention Centre “Bharat Mandapam” was inaugurated by Shri Narendra Modi, Hon’ble Prime Minister on July 26, 2023. Its establishment marks a transformative milestone for India’s MICE Industry, opening up a plethora of opportunities for both domestic and international stakeholders. This ambitious revamp plan was aimed to position India as a crucial hub for international activities while championing the spirit of AatmaNirbhar Bharat.

The inception of the IECC Project traces back to December 2015 when the government envisioned a comprehensive overhaul of the historic Pragati Maidan in New Delhi. The Cabinet Committee on Economic Affairs (CCEA) approved the proposal for the Integrated-Exhibition-cum-Convention Centre at Pragati Maidan on January 24, 2017. The approval marked a step forward in the realization of this monumental project.

In terms of capacity, the Bharat Mandapam provides a variety of spaces catering to different needs such as general meeting rooms, premium meeting rooms, G-20 room, Leaders Lounge, Auditoriums, special and VIP. Level-3 boasts a grand seating capacity of 7,000 individuals with a 3000 seat plenary hall and a multifunction hall accommodating 4,000 attendees. A grand seating capacity of 7,000 individuals at level 3 of the Convention Centre makes it one of the largest in the country.

Bharat Mandapam stands as a technological marvel, embracing cutting-edge innovations to provide a seamless and state-of-the-art experience for all its visitors.

Being a flag bearer of all that is Indian in the true sense, IECC celebrates our country's rich heritage by bowing down and paying homage to our past and looking far into the promising future. The Iconic Bharat Mandapam stands out as the project's masterpiece, reflecting India's rich heritage while embracing the aspirations of a New India. It is conceived with a unique architectural design that beautifully blends India's rich cultural fabric with the aspirations of New India.

Standing tall on a 6 meter high podium, the Bharat Mandapam reiterates India's vision of Growth and Development, a path that India is taking towards becoming a Vishwa-Guru. Inspired from the Indian tradition, the shape of the building is derived from the Shankha (conch shell), the sound produced by which drives away evil spirits and is a mark of auspicious beginnings.

One of the key highlights being a Pre-Function wall depicting Surya Shakti, giving impetus to India's continuous efforts towards green energy through major milestones such as International Solar Alliance, One Sun One World One Grid etc. Another Pre-Function wall depicts India's wheels of progress, our journey from Zero to ISRO, celebrating our achievements in space exploration right from Aryabhata to today's Chandrayan and Gaganyaan.

The G20 hall takes forward India's ethos of Unity and Integrity and Global Solidarity. Continuing the ideal of oneness, there's also a typography wall depicting the Pancha Mahabhuta-Universal Foundation, it signifies the basic building blocks of universal foundation that are the five great elements that equalize all of us. Aakash (Sky), Vayu(Air), Agni (Fire), Jal (Water), Prithvi (Earth). All these symbols emphasize that the world is one and reiterate the essence of India's Presidency of G20 which rests on the pillar of "VasudhaivaKutumbakam". In addition to the symbolic significance of these sculptures, the raw materials procured for their fabrication are also by nature-Indian. These modest steps are re-igniting the flames of a Self-Reliant India.

Also elements such as the Tree of Life and the India-Rising Sculpture further articulate India's free thinking, Progressive and Growth driven mindset.

Apart from the architectural elements, there is also a myriad of colors borrowed from the rich and diverse culture of India. From hand-crafted Kashmiri carpets from the northern most part of India to the Tanjore

Paintings from the vibrant lanes of South India. Bharat Mandapam is an embodiment of India's inheritance showcasing the spirit of "Ek Bharat Shreshtha Bharat". By inculcating art forms such as Kalamkari and Madhubani Paintings, gives a wonderful peek into the folk history of our country and at the same time giving these art forms a colossal platform to further build "Brand India" by being "Vocal for Local". Inclusion of Tribal art forms such as Gond and Warli Paintings not only accentuate the vision of an Inclusive India but also pushes forth India's efforts of tribal welfare.

Bharat Mandapam is not only an architectural marvel and holding India's cultural heritage in its heart, it also envisages a bright future for the Indian dream of becoming the Light of Asia in the present century by promoting Trade and Commerce, Enhancing small and Medium Enterprises (SMEs), Attracting Foreign Direct Investment (FDI) and creating employment opportunities.

Since its conceptualization, the Bharat Mandapam not only organized one of the most prestigious international event G-20 but also met with tremendous enthusiasm and interest from the market. Already, it has received a staggering more than 100 enquiries for the next 24 months, indicating the strong demand and recognition of its world-class facilities and amenities. These requests span a diverse range of events, from international conferences and ministry level gatherings to industry-specific functions and sectoral conventions.

Bharat Mandapam epitomizes India's pursuit of economic and technological excellence. With its world-class infrastructure, it not only contributes to India's ambition of becoming a 5 trillion-dollar economy soon but also reinforces the principles of Atmanirbhar Bharat. As India sets its sights on the century of Asia, this centre becomes a beacon of progress, fostering international collaboration and showcasing India's capabilities to the world. It embodies the spirit of Amritkaal, celebrating the Azadi Ka Amrit Mahotsav, where India thrives as a global leader, making its mark on the global stage and upholding the cherished principle of "VasudhaivaKutumbakam" – the World is one family.

Bharat Mandapam is a landmark and iconic spot in Delhi and a symbol of the Prime Minister's vision of "New India" in sync with India aspiring to be a global power. Fulfilling aspirations of expanding the business fraternity, IECC will mainly cater go G2G, G2B and B2B activities. With

the latest architectural design along with basement parking for 4500 vehicles and comprehensive traffic decongestion interventions, it will add to the grandeur, stature and profile of the capital city of Delhi.

206, Aurobindo Place Market, Hauz Khas, New Delhi-110016

AIFPA— INDIA'S PREMIER & PIONEER ASSOCIATION OF FOOD PROCESSORS, BY THE FOOD PROCESSORS, FOR THE FOOD PROCESSORS AND FOOD INDUSTRY

VISION OF AIFPA

All India Food Processors' Association (AIFPA) was established in the year 1943 by some highly motivated and visionary processors mainly involved in the processing of fruits and vegetables.

Subsequently, the Association took in its fold, processors from other sectors of the food processing industry and now it has in its ambit the food processors involved in processing of Fruits & Vegetables, Meat and poultry, Fish, Milk & Milk products, Cereals and Pulses and

manufacture of a wide range of processed food products. These include fruit juices and nectars, jams, jellies and marmalades, breads, buns, biscuits and bakery products like cakes & related

confectionery items, various types of milk products and yoghurts, ready-to- eat foods, confectionery items, various ethnic delicacies etc. including other stake holders like food Associations, Plant & Machinery manufacturers, Food Scientists/Technologists, service providers

etc. Member Industries account for a large percentage of the total production of processed foods in India as well as that of total exports of processed food products.

Since its inception, AIFPA had been significantly contributing to the development and growth of the food processing in all sectors of agri-horti commodities and thereby helping in reducing the enormous losses of perishable commodities occurring in the country.

MISSION OF AIFPA

The prime objectives of the Association include the following:-

- a) To promote, encourage and support Indian Food Processing Industries and raise the technical standards, product quality and safety to not only meet the prescribed Indian Standards for safe food as laid down by the FSSAI but and also to match global standards so that Indian processed food products can have a good export market.
- b) To actively participate in evolving quality standards & safety measures under the Food Safety and Standards Act-2006.
- c) To seek redressal of the problems of the food processing industry that impede their growth and development by keeping a close liaison and interaction with the Ministry of Food Processing Industries and other Govt. agencies .
- d) To conduct Workshops & Training Programmes to acquaint the persons operating the food processing industry about GMP, GHP, HACCP & FSMS Systems and also with new Technological Developments etc. and also organise National/International Seminars.
- e) To collect, classify and circulate statistics and other information relating to production of agri-horti produce, production of processed foods in India and agri-food exports from India.
- f) To encourage research projects to study the technical problems of the Industry and evolve methods of overcoming such problems.
- g) To conduct and promote market research/market studies in India and abroad to enable the growth of the Food Processing Industries and help in the growth of marketing of processed food products.
- h) To institute Awards and Scholarships to encourage Food Scientists and Technologists to evolve and develop newer processed foods which can widen and enlarge the market for processed foods.
- i) To keep a good liaison with Govt. both with the Central & State administrators, consultants and executives who can help in the growth and development of the Food Processing Industries in India.

- j) To publish a bimonthly technical Journal under the name “Indian Food Packer” which is over 72 years old and a monthly “E-Newsletter” as non-profit activities, which aim to keep the food processing units abreast of the latest worldwide developments in Food Processing, new products & processes, food additives, research programmes, food regulatory issues etc.

LIAISON WITH RESEARCH INSTITUTIONS

The Association maintains a close liaison with the Research Institutions like the Central Food Technological Research Institute, Mysore; Defence Food Research Laboratory, Mysore; Indian Agricultural Research Institute, New Delhi, National Institute of Food Technology & Entrepreneurs Management, Kundli, Sonapat, Indian Institute of Crop Processing Technology, Thanjavur and other Institutes under the Indian Council of Agricultural Research, Nutrition Research Laboratory, Hyderabad under ICMR, Indian Institute of Packaging, Mumbai etc. and refers the problems of the Industry wherever necessary to these institutions for technological solution.

GOVERNMENT RECOGNITION

In regard to various matters concerning the Food Processing Industries in India, the Association is duly recognized by the Government of India, particularly the Ministry of Food Processing Industries as a Nodal Agency and it has close interaction with various Govt. bodies, such as:

- (i) Union Ministry of Food Processing Industries.
- (ii) Union Ministry of Health & Family Welfare.
- (iii) Food Safety and Standards Authority of India established under Food Safety and Standards Act-2006.
- (iv) Union Ministries of Finance, Agriculture, Commerce and Civil Supplies.
- (v) National Horticulture Board (NHB), Ministry of Agriculture, Govt. of India.
- (vi) Agricultural and Processed Food Products Development Authority (APEDA)

- (vii) Export Inspection Council of the Ministry of Commerce, Govt. of India.
- (viii) Bureau of Indian Standards (BIS) & its various Sectional Committees on subjects affecting the Food Processing Industry.
- (ix) Empowered Committee of State Council of Finance Ministers on Value Added Tax (VAT), GST, etc.
- (x) Quality Council of India etc.

SEMINARS & WORKSHOPS

AIFPA has been regularly organizing Seminars and Workshops at various places in the country on topics concerning food processing, quality standards of processed foods, new technologies in food processing, skill development & technology up-gradation, matters relating to taxation of processed foods, scope for marketing of processed foods both in India and abroad etc.

INTERACTION WITH INTERNATIONAL ORGANISATIONS & EXHIBITIONS

AIFPA keeps a close liaison with Foreign Embassies, Trade bodies and Chambers, delegations of different countries visiting India regarding opportunities in the food processing sector for their investment and development. Members are also encouraged to participate in the International Exhibitions & Events concerning the food processing sector.

MATTERS CONCERNING SAFETY AND STANDARDS OF VARIOUS PROCESSED FOODS & LIAISON WITH FSSAI AND OTHER STATUTORY BODIES

AIFPA has been working as a nodal body of food processors in regard to the development of safety & standards for various types of processed foods, holding discussions with stakeholders and suggest modifications required before the standards are finalized and notified by FSSAI.

AIFPA is one of the members of the Food Safety and Standards Authority of India (FSSAI) representing small scale food sector. AIFPA is also a member on the Central Advisory Committee (CAC) of FSSAI representing Food Processing Industry.

UNION FINANCE BUDGET

AIFPA has been making budgetary proposals every year on taxation matters concerning Processed Food Industry and the products thereon to the MoFPI for recommending them to the Union Ministry of Finance for inclusion in the Union Budget.

AIFPA'S JOURNAL, "INDIAN FOOD PACKER" and "E-NEWSLETTER"

The Association publishes a bimonthly technical Journal titled, "Indian Food Packer" (IFP). It is the official organ of the Association and is over 71 years old. This Journal voices the views of the Association and publishes regularly technical and other articles of interest to the Industry, Development News, Industry News, Food Safety matters and food standards etc. It contains nearly 100 pages of reading matter in each issue. Besides members of the Association, the Journal has subscribers from Agricultural Universities, Research Institutions, Home Science Colleges etc. in India and also a few subscribers from foreign countries.

The Association is also bringing out a monthly E-Newsletter carrying highlights & developments in Food Processing Industry/Food Technology, Events etc. The E-Newsletter is sent widely to a few thousands mail IDs of Food Processors, Food Scientists & Technologists, Food Machinery manufacturers, Food Additive manufacturers and Suppliers etc.

AIFPA AWARDS

The Association gives Awards every year to selected Research Scientists and other experts for contributing scientific papers of outstanding importance and useful to the Food Processing Industry. It also gives awards to distinguished personalities in different areas of Food Processing Industries.

AIFPA has instituted several Scholarships and Medals, which are being given every year to selected students of Food Technology for excellence in their courses.

MEMBERSHIP OF THE ASSOCIATION

The Association is committed to the growth and development of Food Processing Industries in India and extends its active support for its scientific advancement to meet the growing requirements of processed foods in the Indian and export markets.

As on date, a very large number of members are on the rolls of the Association and the Directory of Members contain all details about the

profile of each member's corporate standing and can be accessed from our Website: www.aifpa.net

AIFPA GOAL

The sole aim and objective of the Association is to serve the overall interests of its members and help in the growth and development of the Food Processing Industries in India. While fully believing that in food sector, consumer's satisfaction & safety is of paramount importance.

Notes

We strive for a world where everyone chooses

delicious and healthy food that is good for all humans, animals, and our planet.

ProVeg International is a food awareness organisation working to transform the global food system by replacing 50% of animal products globally with plant-based and cultivated foods by 2040.

ProVeg has received the United Nations' Momentum for Change Award and works closely with key UN food and environment agencies. We have observer status with the UNFCCC and the IPCC, special consultative status with ECOSOC, and are accredited for UNEA.

As a non-profit, ProVeg is philanthropy-driven. This is just one of many events we support all over the world, in addition to the variety of work conducted in each ProVeg Country and through our ProVeg Grants Program. Any donations are gratefully received and allow us to continue our impactful work.

GARDEN OF EUROPE *in Quality we Trust*

The Garden of Europe campaign (2024-2027) brings the finest European kiwis from Greece and premium apples from Poland to India. Grown under ideal conditions, European kiwis are loved for their exceptional taste and nutritional value, while Polish apples offer a perfect balance of sweetness and acidity. Produced with modern, eco-friendly methods that meet strict EU standards, these fruits guarantee quality, safety, and sustainability. This initiative is led by the Agricultural Cooperative of Neapoli Agrinio "AS NEAPOLIS" and the Association of Polish Fruit and Vegetables Distributors "FRUIT UNION".
