 3 mtrs

1) \*Booth furniture and accessories model/ type shown are only for illustrative purposes. Delivery of the actual model /type may vary slightly, depending on the availability of stocks.

2) Branding / Vinyl Posters may be designed in the size of 2.5 mtrs (H) x 1 mtrs (W). However, it is advised to keep the design content above 1 mtrs from ground, to preserve full visibility which might otherwise be blocked by chairs, counter table and other booth accessories, placed in front of partition panels.
