Details of Appeal/Decision of First Appellate Authority for the period December 2021 to March 2022 under RTI Act 2005:

Sl. No.	ID No.	Ground of Appeal	Decision of First Appellate Authority/remarks
1.	ITPO/RTI/A/12/03&10/2021  Shri. Rohit Sonkar, Delhi	<ul style="list-style-type: none"> <li>➤ Appeal under section 19(1) of the RTI Act, against the decision taken by of the Public Information Officer in rejecting all the information sought by me in my applications dated Nil and dated 15.12.2021, on the ground that the information sought in these applications were not covered under the ambit of information as defined under section 2(f) of the RTI Act, 2005..</li> <li>➤ My submission is that the queries raised by me in the RTI Application and DRTI Application were not in the nature of seeking any advice, clarification or opinion, they were only with regard to the information held by the Public Authority. Thus the information sought by the undersigned fell within the definition of the section 2(f) of the RTI Act, 2005</li> <li>➤ It is pertinent to mention here that information that a public body has access to is deemed information under Section 2(f) of the Right to Information Act, 2005 as per para 8 of the judgment of the Hon'ble High Court of Delhi in the matter of Poorna Prajna High School V/s. Central Information Commission.</li> <li>➤ In order to further elaborate my point I would like to draw your attention to the observations made by the Hon'ble Delhi High Court in WP(C) No. 7265 of 2007 (Date of Decision 25th September, 2009) wherein the Court has clarified the definition of "information" under section 2(f) of the RTI Act, 2005.</li> <li>➤ Furthermore, the Hon'ble Supreme Court of India in Khanapuram Gandaiah Vs. Administrative Officer &amp; Ors. Decided on 04.01.2009, held that:  "Under the RTI Act "information" is defined under Section 2(f) which provided: "information" means any material in any form, including records, documents, memos, e-mails, opinions, advices, press releases, circulars, orders, logbooks, contracts, report, papers, samples, models, data material held in any electronic form and information relating to any private body which can be accessed by a public authority under any other law for the time being in force."  This definition shows that an applicant under section 6 of the RTI Act can get any information which is already in existence and accessible to the public authority under law. Of course, under the RTI Act an applicant is entitled to get copy of the opinions, advices, circulars, orders, etc., but he cannot ask for any information as to why such opinions, advices, circulars, orders, etc. have been passed.</li> </ul>	<ul style="list-style-type: none"> <li>❖ The information sought by the applicant is of nature of query.</li> <li>❖ Kind attention is invited at Section 2(f) of RTI Act defining "information" as under:-  "information" means any material in any form, including records, documents, memos, e-mails, opinions, advices, press releases, circulars, orders, logbooks, contracts, reports, papers, samples, models, data material held in any electronic form and information relating to any private body which can be accessed by a public authority under any other law for the time being in force;"</li> <li>❖ The applicant is well aware of the facts of his arrest and subsequent suspension.</li> <li>❖ Copy of Order No. (R-77)/ITPO/E-III/2015 dated 25.02.2020 already served to the applicant, i.e., Shri Rohit Sonkar may be referred.</li> </ul>

1	ITPO/RTI/A/08/14/2024 Sh. Rohit Sonkar, Delhi.	<p>Kind reference is requested to reply given by PIO, vide above mentioned letter to my request for information submitted on 17th September 2024. In this regard it is submitted that the request has been denied under section 8(1)(h) of RTI Act 2005, on the pretext that in "respect of vigilance related inquiries and disciplinary matters, "investigation" includes all enquiries, verification of records, and assessment and is completed only after the competent authority makes its decision on it after receipt of the Inquiry report for the Inquiry officer. In this regard it is submitted that the denial of information has been done without any application of the mind by the PIO which is evident from facts mentioned below:-</p> <ol style="list-style-type: none"> <li>1. The information requested at S.No.1 to 3 of letter No. ITPO/RTI/08/14/2024 dated. 17th September, 2024, pertains to review committee constituted by ITPO to review my suspension from the post of Manager. The minutes of the review committee held on 02.02.2022, 29.07.2022 and 20.01.2023 are nowhere related to inquiries, disciplinary proceedings being held against the undersigned.
