Details of Appeal/Decision of First Appellate Authority for the period December 2021 to March 2022 under RTI Act 2005:

Sl. No.	ID No.	Ground of Appeal	Decision of First Appellate Authority/remarks
1.	ITPO/RTI/A/12/03&10/2021 Shri. Rohit Sonkar, Delhi	<ul style="list-style-type: none"> ➤ Appeal under section 19(1) of the RTI Act, against the decision taken by of the Public Information Officer in rejecting all the information sought by me in my applications dated Nil and dated 15.12.2021, on the ground that the information sought in these applications were not covered under the ambit of information as defined under section 2(f) of the RTI Act, 2005.. ➤ My submission is that the queries raised by me in the RTI Application and DRTI Application were not in the nature of seeking any advice, clarification or opinion, they were only with regard to the information held by the Public Authority. Thus the information sought by the undersigned fell within the definition of the section 2(f) of the RTI Act, 2005 ➤ It is pertinent to mention here that information that a public body has access to is deemed information under Section 2(f) of the Right to Information Act, 2005 as per para 8 of the judgment of the Hon'ble High Court of Delhi in the matter of Poorna Prajna High School V/s. Central Information Commission. ➤ In order to further elaborate my point I would like to draw your attention to the observations made by the Hon'ble Delhi High Court in WP(C) No. 7265 of 2007 (Date of Decision 25th September, 2009) wherein the Court has clarified the definition of "information" under section 2(f) of the RTI Act, 2005. ➤ Furthermore, the Hon'ble Supreme Court of India in Khanapuram Gandaiah Vs. Administrative Officer & Ors. Decided on 04.01.2009, held that: "Under the RTI Act "information" is defined under Section 2(f) which provided: "information" means any material in any form, including records, documents, memos, e-mails, opinions, advices, press releases, circulars, orders, logbooks, contracts, report, papers, samples, models, data material held in any electronic form and information relating to any private body which can be accessed by a public authority under any other law for the time being in force." This definition shows that an applicant under section 6 of the RTI Act can get any information which is already in existence and accessible to the public authority under law. Of course, under the RTI Act an applicant is entitled to get copy of the opinions, advices, circulars, orders, etc., but he cannot ask for any information as to why such opinions, advices, circulars, orders, etc. have been passed. 	<ul style="list-style-type: none"> ❖ The information sought by the applicant is of nature of query. ❖ Kind attention is invited at Section 2(f) of RTI Act defining "information" as under:- "information" means any material in any form, including records, documents, memos, e-mails, opinions, advices, press releases, circulars, orders, logbooks, contracts, reports, papers, samples, models, data material held in any electronic form and information relating to any private body which can be accessed by a public authority under any other law for the time being in force;" ❖ The applicant is well aware of the facts of his arrest and subsequent suspension. ❖ Copy of Order No. (R-77)/ITPO/E-III/2015 dated 25.02.2020 already served to the applicant, i.e., Shri Rohit Sonkar may be referred.

As per practice refunds are processed only in the name of the company who has participated in an event or applied participation in any event, as the case may be.</p> <p>Q.2 During last 3 years</p>

Whether all refunds in the last 3 years have been compulsorily made in the bank account in the name of the company applying for the stall booking.? 3. If any payment has been made to a bank account other than the name of the company, please provide the details for the same.</p> <p>In the reply, I received only this answer – “Generally” refunds are processed only in the name of the Company who has participated in an event or applied participation in any event, as the case may be.</p> <p>They answer me what they do “Generally”, but do not reply that if it is “compulsorily” mandatory or not.</p> <p>Q2–Not answered.</p> <p>Q3–Notanswered.</p> <p>So, this is requested you that please give me answers to all 3 questions, and the answers should be specific, not generally.</p>	<p>various exhibitions have been organized by ITPO in New Delhi as well as in other regions of the country/world wherein a large number of companies have participated.
