Location: At various locations all around Pragati Maidan

Truss Gate / Decorative Gates, setup by the ITPO, away from the Main Gate of the Hall, should be approved by the Architect and Security Divisions of ITPO.

Location: Service road, along backside of Halls 8 - 12A

Size: As per space availability, along the running length of the wall, upto max height of 10 feet from the wall base.

The following guidelines have to be followed by all organisers or contractors assigned by the organiser, while executing branding works on Bharat Mandapam campus:

- **Pasting of stickers on walls, pillars, glass doors /windows, are strictly prohibited as they leave gumming residue behind, and cause extensive damage to paint and other surfaces.**
- **The agency shall deploy non-invasive and innovative style of signage mounting. Any drilling / masonry work to mount signages inside or outside of Halls is strictly prohibited.**
- **Use of GI wires to hang signages from high voltage wires running throughout Hall ceilings are not allowed.**
- **The branding contractor must maintain adequate numbers of scissor lift / scaffolding tower so as to ensure that hall buntings / hoardings / signages can be fixed properly at least up to the height of 10 mtrs or more. Use of ladder against the walls inside New Hall (1,2,3,4,5,6 &14) to hang signages is not allowed, as it may chip-off wall paint.**
- **The Organiser, may undertake branding by taking responsibility of wind-load, public safety and usage of appropriate machines.**
- **Exhaust shafts/air shafts of H 2-5 are not covered by branding, since air-condition cannot function if they are covered.**
- **Ceiling-hung / rigged aisle branding, in H 2-5 should not come below any Smoke Curtain**
- **Truss gate on roads (especially Main Gates such as Gate 4 & 10) must be min. 6m wide and 6m high.**
- **Any branding that blocks right-of-way, emergency exits and fire-hose reel is strictly prohibited.**
- **The branding contractor shall ensure that while mounting / unmounting all branding material which includes hoardings, directional signages, arch gates etc., no damage is caused to any part of IECC complex / infrastructure. Any damages arising as a result of non-compliance of aforementioned parameters shall be the sole responsibility of the Organiser / Branding contractor.**
