Highlights

The St. Petersburg Partneriat is an annual milestone for the business community, and one of St. Petersburg's largest convention and exhibition events dedicated to improving economic cooperation and interregional partnerships. It aims to boost teamwork among enterprises, help major industrial entities with subcontracting, leverage the latest production technology as a means of manufacturing more competitive goods, and create a more comfortable environment for establishing direct business contacts and looking for new partners, clients, and investors.

Various Govt. & non Govt. organizations of Russian Federation will be the buyers visitors for these 3 events (St. Petersburg Technical Fair, Automechanika Fair and XIII St. Petersburg Partneriat), which will generate lot of business interest for the Indian products/machineries for Business to Business (B 2 B) deals.
