

INDIA TRADE PROMOTION ORGANISATION
FACT SHEET

Name of the Fair	Korea Metal Week	
Dates	October 30 – November 2, 2018	
Venue	KINTEX Exhibition Centre 1, Hall 2-3, Seoul (South Korea).	
Timings	10.00 am to 5.00 pm (October 30-November 1, 2018)	
As per practice in vogue	10.00 am to 4.00 pm (November 2, 2018)	
Minimum Bookable Area	9 sqm	
Space rental	Rs.1,05,000/- non corner booth of 09 sq.mtrs. Rs.1,15,000/- corner booth of 09 sq.mtrs.	
Provision in a standard booth of 9 sqm	comprising floor space, walls, information desk, round table, 4 chairs, catalog holder, waste basket	
Exhibit profile	The product profile includes :	
	Fastener & Wire	<p>Bolt-Nut Equipment & Manufacturing like forming machine, thread rolling machine, tapping machine, cutting machine, parts feeder.</p> <p>Bolt/Nut Products - Bolt/Nut, Rivet, Stud, Nusert, Anchor, Fastening Assembly, Tools, Lubricating Oil, Oil Processing, Rust Preventive Oil.</p> <p>Wire Production & Manufacturing : Wire Rod, Welding Rod, Coil & Other Wire Rod, Special Wire, Wire Drawing Machine, Cutting Tools, Compressor, Rope Making Machine, Ingot.</p>
	Foundry & Die Casting	<p>Die Casting Machinery and Plants Ancillary Equipment to Machinery Die Casting Product/Mold/Dies & Factory Automation Materials/Tools & Finishing Precision Casting Product</p> <p>Foundry : Aviation/Shipping/Military Casting, Foundry Production for Vehicles, Precision Foundry, Low Pressure Foundry, Raw Casting Materials, Aluminum Gravity Casting, Production, Machinery.</p> <p>Furnace & Thermal Process : Heat Treatment Furnace, Forging Furnace, Vacuum Furnace, Melting Furnace, Heat Treatment Machinery, Heat Treatment & Other Materials.</p>
	Automobile & Machine Parts	<p>Steel Components & Materials Mold Manufacturing Machine Tools & FA Automobile, Shipbuilding Machine, Aviation Parts Testing & Measuring Equipment Cable Manufacturing.</p>
	Press & Forging	<p>Hot, Cold Forging Part & Manufacturing : Forging Parts for Power Plant, Cold & Hot Forging for Vehicles, Cold & Hot Forging Product for Aviation & Shipping, Rolling Materials, Rolling Machinery, Other Materials.</p> <p>Press Machine : Hydraulic Press, High Speed Press, Servo Press, Mechanical Press, Transfer Press, Press/Hammer Forging Machinery</p>
	Tube – Pipe	Tube Pipe – Tube Manufacturing Machinery, Steel Pipe

		Tube, Titanium Tube, Carbon Tube, Copper Tube, Seamless & Welding Pipe, PVC conduit, Valves, Fitting, Process Technology Tools and Auxiliaries, Raw Materials & Accessories, Welding Tools.
	Metal Surface Treatment & Painting	<p>Surface Treatment Technology : Plating, Coating, Painting</p> <p>Surface Treatment Machinery/Equipment/Tools</p> <p>Surface Treatment/Modification Chemicals</p> <p>Surface Measurement/ Treatment / Modification Equipment</p> <p>Environmental Equipment : Filter, Waste-water processor, Discharge, Cleaning</p> <p>New Technology for Surface Treatment : Nano-technology, WPM, Micro-packaging.</p>
	3D Technology	<p>3D Printer</p> <p>Software</p> <p>Prototype Manufacturing</p> <p>NDT (Non Destructive Testing)</p> <p>Related Materials</p> <p>3D Imaging/Scanning</p> <p>3D Measuring Machine</p> <p>3D Bio-printing</p>
	Composite	<p>Raw Materials & Chemicals : Resins, Additives/Adhesives/Polyurethane (PU) form, Prepregs, Bio Materials, IT Materials, etc.</p> <p>Carbon Composites: Carbon fiber, Adhesives /Polyurethane (PU) foam, prepregs, Bio Materials, IT Materials, etc.</p> <p>Reinforced Fibres : Glass, Kevlar, Natural, Aramid, Ceramic, Technical textile, etc.</p> <p>Reinforcements : Nano-reinforcements, Aluminum Composite panel etc.</p> <p>Processor, Fabricator, Equipment & Technology</p>
	Aluminum	<p>Aluminum Raw Material/Metal Products, Semi Finished Products : Ingot, Plate, Bar Round Blanks, Perforated Sheets, profile.</p> <p>Aluminum Products & Application : Automobile, Aviation, Building & Construction materials.</p> <p>Aluminum Plants & Equipments : Aluminum Extraction, Procession and Refining.</p>
	Laser & Welding	<p>Laser : Cutting, Processing, Laser Welding, Surface Treatment Equipment, Materials.</p> <p>Welding : M/C Equipment, Materials, Automation, Environmental Equipment & Protective Gear.</p>

		Sheet Metal Processing : M/C, Processing Equipment, Post treat Equipment, Finished (Semi) Products, materials.
	Pump Technology Industry	<p>Booster Pump : Booster pump system, stainless pump, Centrifugal pump, inverter booster pump, vertical multistage pump, horizontal multistage pump, horizontal booster pump, CMI pump</p> <p>Underwater pump : Grinder pump, Submerged aerator, Submerged motor pump, circulating pump, Removable submersible pump, Sewage package system, submersible motor pump, vertical sump pump.</p> <p>Vacuum pump : Watering vacuum pump, dry running rotary vane pump, oil flooded rotary vane pump, turbo molecular pump, rotary piston pump, rotary gear pump, liquid ring pump.</p> <p>Industrial Pump : Single suction volute pump, multi stage volute pump, multi-stage turbine pump, Endure acidity pump, in-line pump, westco pump, oil circulated injected rotary pump, vortex pump, fire engine pump, mono pump.</p> <p>Hydraulic pump : Diaphragm pump, smoothy metering ump, plunger metering pump, hydraulic diaphragm metering pump, solenoid metering pumps, drum pump, magnet pump, automatic control system.</p> <p>Pump Relevant : Mechanical seal, electric motor, power train system, valve, pressure tank, inverter, measuring instrument.</p>
Fair Organised by	Korea Trade Fairs Ltd./Korea #710, Kumsan Bldg., 17-1, Youido-dong, Youngdeungpo-Gu, Seoul, South Korea 150 727 Korea.	
Project Head	Shri D.M. Sharma, Financial Adviser & Chief Accounts Officer India Trade Promotion Organisation Email: facao@itpo.gov.in
