**HON'BLE UNION MINISTER OF STATE FOR EXTERNAL AFFAIRS TO
INAUGURATE INDIA INTERNATIONAL SECURITY EXPO 2015**

Hon'ble Minister of State for External Affairs, Government of India, General (Dr.) V.K. Singh will inaugurate a premier specialised B2B security event South-Asia region, the 18th edition of India International Security Expo (IISE) at Pragati Maidan, New Delhi on October 8, 2015.

IISE 2015 will highlight initiatives taken by the industry to promote manufacturing of the security equipment and gadgets under the 'Make in India' campaign launched by the Hon'ble Prime Minister of India. The Expo provides business opportunities in terms of indigenization, by way of joint ventures and collaborative transfer of technologies that would boost the domestic industry.

The Expo will be a great platform for personnel involved in modernization to have an interface with exhibitors from all over the world to identify suitable items. They can also share their future requirements to enable manufacturers to customize suitable products.

This year, Telangana, Chhatisgarh and Delhi are participating with status of the 'Partner State'. Covering gross area of 5816 sq.mtrs., over 80 leading exhibitors are taking part in this 4-days event. IISE2015 features all the industry's latest trends, cutting-edge innovations and new products.

Featuring a wide range of products and services of homeland security, fire, law enforcement, disaster management and safety industries, the event is being organised by the India Trade Promotion Organisation (ITPO) with the support of the Ministry of Home Affairs, Government of India. The CISF and SPGI are the co-organisers of the event.

This year, the Security Expo will showcase the latest technology and range of gadgets, equipments and systems in the field of access control, surveillance, perimeter security, detection and disposal of explosives, fire safety non-lethal weapons, radio communications, disaster management, blast and ballistic protection gears.

...2/-
