Terms & Conditions:

- I. For assignment of job, ITPO shall issue a work order, specifying therein the size, quantity, specifications of paper, colours and security features. Printer should strictly adhere to the work order, special instructions, if any and the serial numbering provided by ITPO.
- II. Printer should do pre-packing inspection while packing to check the quantity, category etc. and ensure that the declared items are contained in the packet.
- III. Once the job is executed the printer shall deliver the same progressively to ITPO Stores.
- IV. Printer shall ensure obtaining signature of recipient Officer of ITPO, Stores with his name, designation and date with seal of ITPO, for each delivery note/challan.
- V. Complete security is to be maintained by the printer to ensure that no leakage or pilferage of tickets takes place. The printer should nominate two of their representatives for co-ordination with ITPO.
- VI. The Printer should have the required infrastructure/technical skills to undertake the work and whatever supplementing is required should be done before undertaking the job and the job should be executed within the specified time under one premises.
- VII. The Printer should have necessary security procedures and routines including accounting of waste paper etc. and the printer will augment these, if it is considered necessary by ITPO.
- VIII. The Printer will install necessary quality control checks and obtain required Electronic/Mechanical Equipment for testing an on-going work. A mechanism/process will be instituted for selecting pieces out of every batch produced to verify the quality and record of such testing will be kept which will be made available for inspection if called for.
- IX. The entire production process will be subjected to vigorous checking by ITPO. The Printer shall provide inspection facilities to check that the infrastructural, security and quality control checks are fully met before start of production runs; further these could also be inspected by ITPO or its authorized representative at any time during the Printing Process.
- X. ITPO will not compensate for any losses suffered by the printer such as cost of re-runs, excess printing etc. The printer should compensate ITPO for any losses on account of

rejection due to bad printing quality, missing security features, wrong numbering, non-readability of bar-code etc.

- XI. The supply schedules will be well maintained and timely deliveries must be ensured as specified.
- XII. The printer will print all the items in the work order as per the design approved by ITPO.
- XIII. The printer shall submit Proforma Invoice enclosing therewith the sample, copy of work-order, copy of delivery Challans in quadruplicate. Thereafter, ITPO shall issue pay order for the material supplied.
- XIV. On the basis of pay order, printer is required to submit bill duly pre receipted (first copy) in quadruplicate (4 copies) along with voucher copy of samples, copy of work order, copy of pay order, delivery Challan 4 copies for settlement of bill.
- XV. ITPO envisages that all the jobs should be executed under one roof with a single printer. Therefore the bidders must quote all the items as given in the proforma. However, ITPO reserves its rights to allocate the job to more than one printer or any other printer.**
- XVI. ITPO reserves its rights to terminate/cancel/suspend the contract any time without assigning any reasons.
- XVII. In case of poor quality or using paper other than specified, ITPO reserve the rights to impose suitable penalty and/or reject the entire lot as per ITPO's approved norms.
- XVIII. The terms & conditions mentioned in this letter shall be prevalent.
- XIX. In case of any dispute the same shall be referred to CMD, ITPO or his nominee to act as Sole Arbitrator, under the provisions of Indian Arbitration & Conciliation (Amendment) Act, 1996 and give award thereof. The award so given shall be final and binding on parties.
- XX. The Printer must return the duplicate of this bid invitation letter duly signed along with his quotation in the prescribed form duly signed by an authorized signatory in acceptance of the terms & conditions.
- XXI. Interested printers are requested to quote the rates in the form of quotation enclosed, without any cutting or over-writing, neatly typed under the cover of their application on their letter head and send it to the Dy.
